<p>We had a small group tonight but that didn't stop the group from enjoying some drinks and good curry. The same 5 guys who attended premeeting drinks made their way across the street to Grace of India for dinner. The moment we walked in tonight the group was welcomed with open arms. The restaurant staff made us feel like the only ones there. Early on they presented the group with the customary papadums, what we didn't expect they also provided us a wonderful little fried appetizer enough for 10. Being they expected 10 they still didn't hold back in sharing their wonderful treats with us. As we all sat there filling up on the provided appetizers, we enjoyed some good banter. I think the biggest discussion was centred around the private bidet, aptly named "Butt Buddy", which they provide all guest that visited the restrooms. I believe all decided to pass on the experience with exception to Member Butler. I think the only thing I can remember him saying was "I think I got some on my shoes" 😊</p> <p>As a couple members noticed prices appeared to have gone up since the last time we visited. The owner explained that COVID has affected everyone causing prices to go up. That didn't prevent anyone from enjoying their meal. With exception to maybe Member Butler who tried something new but said it was cooked as expected, he didn't quite like the taste. Member Levi stated it may be the best naan he has ever had. By the end the of meal I believe everyone was stuffed. However, that didn't stop the Grace of India owner from offering a complimentary desert to everyone.</p> <p>Overall, the night went very well, and the scores showed it. I wanted to compare the score to the previous meetings this year, but it appears we don't have any scores for 2021 on the website and I don't think it's being our web guy hasn't posted them... <i>Cough cough, slacking past presidents!!!</i></p> <p>One last note to mention: A few of us were chatting about finding a way to streamline our emails and invites so that we can ensure members are receiving their invitations. A few options were thrown out (eInvite, Meetup, Tinder). If anyone has any suggestions, please share.</p>
