## General Comments:

The 2021 CASACC winning venue, Indian Spice Train, was closed unexpectedly for the annual party and award presentation due to unforeseen circumstances with the owner, a lost passport, and no way out of Toronto. This year's holiday party was hastily moved to the 2021 3<sup>rd</sup> place venue, Taj Indian. There was some discussion as to why not the 2<sup>nd</sup> rated venue, but something about last minute preparations and a closer Uber ride for the holiday festivities was proffered.

The pre-pre-party started in the early afternoon as members arrived by Uber and Lyft to the pre-pre-party location. By 4pm it was raining so a walk to the pre-party location was not advised. All present (6) crammed into late-comer member Bosma's Honda Fit (roller skate) to proceed to the pre-party location.

The celebration was well attended and our esteemed annual December President, Duane Kauffman, did not disappoint. Duane showed up with 2021 CASACC shirts for all plus some prior year shirts, previous year's metal business cards, and miscellaneous CASACC memorabilia. A fantastic time was had by all despite the venue change.
