<p>Unfortunately due to the lack of follow-through of this month's president, this report is quite late so some detail is missing.</p> <p>Premeeting drinks were at "The Establishment". Happy hour was active and drinks were flowing. This months dinner meeting was the constitutionally required revisit to last year's winner, Shaan Indian Cuisine. While the establishment was displaying the award as the 2022 CASACC winner, the establishment had changed hands since the award and the new owners weren't familiar with our esteemed institution. After a brief reintroduction the owner and employees got into the spirit and provided free pompadoms and other goodies. Service and food were excellent as reflected in the scores. This establishment is shaping up as a consistent club high scorer.</p>			
Final Average Score:	8.659
