<b>General Comments:</b>			
<p>Due to unusual circumstances, the gentlemen of the Cincinnati and Surrounding Areas Curry Club (CASACC) returned, for the second month in a row, to the Hyde Park area of Cincinnati to visit <b>Viva India</b> following a pre-dinner Happy Hour at MadTree Brewing in Oakley just a few minutes away. Pros and Cons of the evening, as determined by members during scoring, are as follows:</p> <p><b>Pros</b> - Nostalgia / camaraderie for members who have not attended recently, Viva India's atmosphere (much more modern and clean than the average restaurant visited by the CASACC), food was overall enjoyable</p> <p><b>Cons</b> - Entertainment at MadTree made it hard to hear, the CASACC typically enjoys complimentary papadums but were charged \$4 for two orders during their visit to Viva India (the only venue to deny this request in 2023), Viva India automatically charged an 18% Large Party Fee which seemed unnecessary for 6 people when the restaurant was not too busy and the members are always happy to leave 20%+ gratuity, a member's Tandoori Chicken was not sizzling as expected</p> <p>Despite a few letdowns, the gentlemen of the CASACC were able to maintain good spirits as they looked forward to the Annual General Meeting (AGM) / Christmas Party to-be held at Taj Indian Restaurant (highest-rated Indian restaurant by the CASACC in 2023, located on Beechmont Ave) on the 20th day of December, 2023!</p>			
<b>Final Average Score (Max. 10):</b>	<b>7.23</b>
