Totals:	42		

General Comments:

The 2nd monthly meeting of the Cincinnati and Surrounding Area Curry Club took place on the 29th of February, 2024 at the Indian Bistro on Ohio Pike in Cincinnati, Ohio. Pre-meeting activities took place at Jimmy B’s Sports Bar and Grill also on Ohio Pike, Cincinnati. Both of the 4^{se} venues were new to the CASACC, a welcome departure from recycling the same tried and true venues.

While conversation was good and beers were cold at the pre-meeting drinks, the interior of the establishment smelled of the smoke wafting in from the patrons smoking on the open-door step. Fortunately, we had obtained a seat on the outdoor patio and the weather was unseasonably warm for a pleasant experience.

The show was technically “good” with 5 members attending the dinner meeting. The venue owner was happy to see us and treated us with 2 rounds of complimentary pompadoms with the traditional wheel of curries. He was attentive and was happy to see us. The service was good and the owners were happy to let us bring our own alcohol as they had no license. The establishment was clean and the bathrooms were reasonably well maintained and clean. The spice levels seemed on-point and it seems everyone was satisfied. Member Wurtz was so impressed that he bestowed the highest score of a perfect 10. This score elicited a lecture of averages and how things should be scored from one member but JJ stood fast with his score. The mantle of the Presidency was passed along to Josh Lucas for the March 2024 meeting.

Some of the prestige of this great establishment was tarnished as the replacement table placards for the President and Alan Patten were missing after the January meeting. Hopefully some past president will find these and pass them along so this tradition can continue.

Final Average Score:	8.4
